Part III, Line 28 – Beautification

Monthly Community cleanups including Mayor's Spring and Fall Clean ups

Beautification conducted 15 Saturday morning cleanups in 2020 starting in March. Volunteers picked up litter, pulled weeds, and swept gutters and sidewalks. For both Mayor clean-ups, the City's Department of Public Works collected debris; community members paid for private hauling on several, coordinated with the city for a Dept of Public Works pickup for several and coordinated with the community dumpster for two.

Community Dumpsters:

Beautification arranged with the Baltimore City's Department of Public Works to deliver and collect a dumpster in the neighborhood four times during 2020. We held two of four because of COVID (DPW was short staffed) and partnered with Fell's Prospect for a third. Dumpsters provide community residents with opportunity to discard larger items not collected with regular household trash collection. Illegally dumped items were also cleared from the neighborhood. Metal was separated and recycled.

Recycling Dumpsters

As a result of the suspension of DPW's curbside recycling pickup, UFPIA collaborated with We Can Bmore for the provision of 4 recycling dumpsters.

Recycling Can Giveaway

Volunteers canvassed neighborhood on recycling day and reached out to residents to inform them about the initiative to encourage better recycling practices. UFPIA subsidized the distribution of thirty (30) twenty gallon cans with secured lid for use as recycling containers to neighbors.

Tree Stumps & Dead Tree Inventory

Beautification submitted nineteen 311 calls to report trees stumps and dead trees needing removal.

Tree Bed spruce ups

There are 428 street tree beds within the community. Over 40 tree beds were provided with care which may have included the installation of decorative fencing, cleaning or adding curbside pavers, mulching and planting of ground cover or ornamental grass.

Tree Bed Adornment Project with Mosaic Medallions

Beautification prepared and submitted grant for the creation of 20 large mosaic "medallions", decorative fencing, pavers, and ground cover to adorn twenty tree beds in the neighborhood. Project efforts in 2020 involved six sessions to make the cement forms and ten 2-3 hour mosaic-making workshops for the creation of the mosaics, surveying neighborhood for ideal tree beds, contacting property owners for permission, preparing layout for the identifying markers for the art installations etc.

Parking Bumper Installation

UFPIA Beautification purchased 15 bumpers and picked them up in Philadelphia; installed 10 in 2020. The purpose of the bumpers is to protect young trees from cars backing into them and damaging or destroying them.

Reger Street Planters – Spruce Up

Volunteers surveyed thirty (30) barrel planters and fifteen (15) large trough planters. The committee efforts in 2020 included adding new plants, soil and mulch, and watering and removing trash.

Large sidewalk planters

Suspended in 2020 due to COVID.

UFPIA moved the "Beautification Station" from the parking lot at Pratt & Register to a large fenced empty grassed lot at the NW corner of Pratt & Broadway. Installed a shed, and storing collected and/or delivered donated mulch, pavers and other supplies.

Lady Day Way Streetscaping Project

Held a two meetings with residents on the 200 block of S. Durham St and created a stakeholder group for purpose of engaging the service of the Neighborhood Design Center. NDC, with several community engagement surveys, created a street-scaping plan with the goals to calm traffic speeds and increase lighting, greenery, and art to further celebrate Billie Holiday who lived on the block. Volunteers organized a dedicated on-line fundraising auction to fund NDC fees.

Youth Engagement:

Beautification's Green Team Club was suspended due to COVID.

Community Education:

The Association's newsletter and website provided information promoting the City single-stream curbside recycling, trash code enforcement, hazardous waste disposal drop-off dates and locations, Christmas tree collection and mulching. Announcements and information about upcoming beautification events and best practices are also distributed via NextDoor, Facebook, and email blasts.

There were over 50 volunteers (including 10 dedicated Beautification Committee members) who contributed at 1030 hours in 2020 to these beautification activities.

Part III, Line 29 – Social Media/Newsletter

Our newsletter is delivered to each residence and place of business as possible in the entire neighborhood, regardless of membership, to communicate information regarding the Association, neighborhood issues, the neighborhood public school, businesses and social activities, city-wide interests and social activities, voter registration and elections, the census, and government taxes, regulations and resources. We provide contact information for all five UFPIA officers, eight UFPIA committees, our City council members and council president and state general assembly members. Detailed trash and recycling information, including items allowed, containers and storage, and pickup or drop-off times and locations, is included in every issue. In 2020, we promoted local business discounts, demonstrations and workshops, giveaways, and other neighborhood events and featured those that help fund our newsletter. 78% of our newsletter printing costs were funded by local business ads in 2020. The Fell's Point farmers' market and the Baltimore farmers' market and bazaar were promoted in the newsletter. Although many activities were cancelled due to the Pandemic, we promoted those that were still held in person or virtually. These included the New Year's Day Resolution Race for Earl's Place, a men's homeless shelter; our neighborhood theatre; Black History month in February; Bus and Brews in March and information about the new animal shelter; the launching of our new website; Baltimore Heritage's five minute history episodes; information about COVID-19 and the coronavirus; thanked our health care workers and first responders during the pandemic; helped collect food for families in need; promoted local artists; promoted Baltimore's Slow Street program which helps people use low-traffic streets for safe-distance walking, jogging, etc. across the City; the virtual MD Fleet Week on Sept. 8-11; Doors Open Baltimore's virtual tour of over 50 historic buildings held during the month of Oct.; held a National Night Out event on Oct. 6th to promote police-community partnerships and neighborhood camaraderie; collected supplies for the art teacher at Wolfe St. Academy, our local school; and the Creative Alliance Halloween Lantern Parade on Oct. 24th; and affordable fresh produce at Commodore John Rodgers School. In addition to the newsletter, our Association's website, (www.upperfellspoint.org) enhances communications with our neighbors and fully discloses our regulations and financials. Committees have pages and current and past newsletters can be viewed. We also post a recording from our community meetings. An electronic newsletter (e-blast) is provided bi-monthly, or when needed, and includes important items that need to be communicated. UFPIA also is on Facebook and Twitter and posts to a Google calendar which provides information and important notices to area residents, and a dedicated Upper Fell's Point Nextdoor site was created in 2017. Our PayPal and Stripe accounts can accept payments online for membership dues, donations, fund-raisers and events, as well as payments for newsletter ads and garden dues. An average of 1,200 four-page printed newsletters were composed by one member, printed by a business in the neighborhood and distributed monthly by an average of 19 volunteers, requiring a total of over 200 volunteer hours in 2020. Two Association members contributed an additional 120 volunteer hours to electronic media efforts in 2020. In addition, we launched a new website to make it more user friendly and more current and two Association members spent over 50 hours working on this project.

Part III, Line 30 – Community Garden

The Association began maintaining three vacant lots at 1825-27-29 E Pratt St. totaling 4,600 square ft. as a community garden in 1987. Our garden has 16 plots for 22 gardeners with a City water line and a green space used for community events. Free compost is provided for the gardeners. The garden property is protected as a permanent green space by the Baltimore Green Space land trust and was purchased from the City with funds provided by our Association. Our Association is the Baltimore Green Space Partner Organization and our Community Garden Committee co-chair is the Baltimore Green Space Site Manager for this property. In

In addition to maintaining their individual garden plots, three of our gardeners clear the public sidewalk in front of the garden of any snow or ice during the winter months and all of our gardeners spend over 30 hours/month from March through November to maintain the overall garden space by watering and weeding plants, cutting the grass, taking out the trash and recycling. In addition, 26 gardeners spent 163 hours to build raised bed boxes and fill them with soil; 2 gardeners spent 27 hours to remove grass and add clover for pollinators; and 5 people spent 73 hours to repair the mosaic walkway. Due to the COVID-19 pandemic, we were unable to hold events in person but did meet virtually on several occasions. One was a Garden Ramble tour whereby 29 people attended virtually to enjoy the community garden as well as stops to houses/stoops of several of our gardeners. We also were a stop on the virtual Charm City Garden tour in July. Twenty-three Association members contributed over 1,000 volunteer hours to these efforts in 2020.

Part III, Line 31 – Other Program Services

Youth and Education Committee

The UFPIA Education Committee organizes and sponsors events for children in our community, often in partnership with Wolfe Street Academy (WSA), a community charter school in Upper Fells Point. Although due to the pandemic we did not sponsor our usual activities in 2020, it is anticipated that activities will resume in the 2021-2022 school year as educational institutions open to in-person learning.

In 2020 the Education Committee supported the following:

- An initiative to provide necessary art supplies for the Wolfe Street Academy art teacher, Ms. Bevaqua. Over \$1200 of supplies were donated and presented to the Ms. Bevaqua in November and December of 2020.
- WSA student art notecards to help support future Education Committee Projects. In 2020 17 packs of notecards were sold for \$10.00 per packet (\$170.00).

The pandemic prohibited the usual support activities of the UFPIA Education Committee. Before the 2020-2021 pandemic activities included:

The Wish List Project: Each year teachers create a classroom wish list and community members make those wishes come true by donating items. The event includes a community-school party.

Library Project: For six years UFPIA has worked to create a school library, where none existed, through installation of shelving, purchase of tables/chairs, donation of books and materials and finally, the establishment of a system to deliver books to classrooms via a 'Book Train'; Twice a month, Committee members, dressed as train conductors, deliver a bin of books to WSA classrooms.

Wolfest: Every year the committee sponsors a booth at the end-of-the year neighborhood-school celebration.

Land Use:

Activities:

- Monitor zoning appeals, liquor board proceedings that may directly impact or be of interest to the Association;
- Consulted with the Commission on Historical and Architectural Preservation on the process for and implications of pursuing an historic district designation;
- Consulted with the City's Department of Planning on land use guidelines;
- Led brainstorming sessions on land use guidelines to support a re-write of our guidelines.
- Consulted with the Neighborhood Design Center on retaining them to help us prepare a community master plan.

Safety:

The Safety Committee held one C.O.P. walk in April with Zeke Cohen. From that meeting, the Safety Committee began setting up the Block Liaison Program. This program creates an information network between the safety committee, an individual that is a point of contact for each block, and each block's residents. We organized a modified NNO (National Night Out) event in October. It included 3 neighborhood gatherings, a soup and salad sale fundraiser for Cafe Lighting on Ann Street, meet and greets with City Officials, and a great networking atmosphere. We spent less than half of our committees' allotted budget for the event. We continue to push a Cafe Lighting Initiative.

Traffic & Parking

The Traffic and Parking committee continues to look at ways to make the streets of the community safer for all, pedestrians, bicyclists, scooter riders and people in cars. The community participated with Baltimore City in giving insight for the "Complete Streets Manual". A traffic and road use survey was conducted by the committee to see what the majority of residents would like to see happen on our roads. The community participated with a "Slow Street" program which was rolled out by Baltimore City to give more activity space to residents with the closures due to Covid-19. The committee has been exploring and discussing ways to do some traffic calming measures, Daylighting at the community's intersections along with street art.
