UPPER FELL'S POINT
Improvement Association/Asociación de Mejoramiento

upperfellspoint.org | PO Box 38315, Baltimore MD 21231

Welcome to Upper Fell's Point!

Dating back to the mid 1800's, Upper Fell's Point provided a higher ground on which Baltimore's dock workers resided. Today, our neighborhood reflects a rich diversity in ethnicity and cultures.

Our boundaries include the eastern (odd) side of S Broadway to the west, the western (even) side of S Washington St. to the east, the northern (even) side of Eastern Ave. to the south and the southern (odd) side of Lombard St. to the north.

Upper Fells Point's prime location provides convenient access to I-83, I-95, and is within walking distance to the serene placidity of Patterson Park, the nightlife and shopping of Fell's Point and Canton, and the highly-esteemed Johns Hopkins.

Our neighborhood association is not a homeowners' association. We strive to improve the lives and environment of our community. Working with local government, businesses, and other organizations, the Upper Fell's Point Improvement Association (UFPIA) tackles issues that concern its residents...and sets the foundation for future growth.

Members of our all-volunteer organization are active in such areas as advertising, beautification, crime prevention, education, land-use, news and traffic/parking. We regularly organize and participate in special projects such as the S Durham St. Billie Holiday Arts Project, neighborhood beautification and cleanups, family educational and recreational activities, festivities, community gardening and events to benefit the only school in our neighborhood, Wolfe St. Academy. We also work closely with city officials and residents to improve the quality of life in our neighborhood. Pick a project and join us! (Note: If you live in the neighborhood, are a renter, sub-letter, long-term guest, or home owner, you are welcomed and encouraged to get involved in UFPIA's activities.)
